

# BCAUSEICAN

BCAUSEICAN, YOU CAN, WE CAN

*BCAUSEICAN NEWSLETTER WINTER 2024*

## **BCAUSEICAN Wrapped!**

**In 2024,  
we...**

achieved a  
**4 or 5**

rating for **41%** of  
Maryland schools

received

# Chromebooks from **Accenture**

won a mass contract  
to teach for  
**Prince George County  
Public Schools**

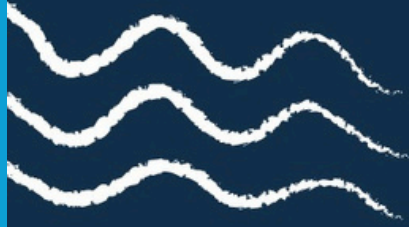

raised  
during our

**Double Good  
popcorn fundraiser**

taught at  
**community schools**

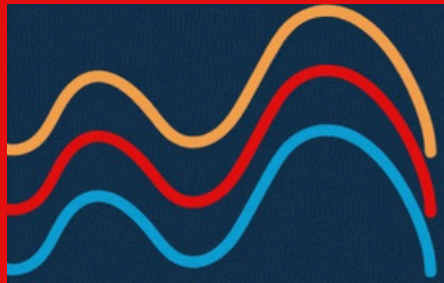

and **expanded our**  
**classes** to include

**artificial intelligence**

for middle school  
students!

This fall alone, we served

learners

schools and  
organizations

adults

**Thanks to your support, we're creating opportunities for all!**

Special Edition

# 2024 NEWS

@BCAUSEICANDMV

**This Fall, BCAUSEICAN made a difference in the lives of 213 participants through our programs!**

Our BCAUSEICAN CODE Program brought the power of STEM and coding to 165 students across multiple schools and community centers:

- Judge Sylvania Woods Elementary: 30 attendees
  - Cool Spring Elementary: 54 attendees
  - Bladensburg Elementary: 11 attendees
- Shaw Community Center: 58 attendees
  - Riverdale Elementary: 12 attendees

Our BCAUSEICAN THRIVE Program inspired 48 students, making a difference at:

- Riverdale Elementary: 16 attendees
  - City of Hyattsville: 21 attendees
- City of New Carrollton: 11 attendees

## Thank you for helping us empower futures!

As the year comes to a close, we at BCAUSEICAN are thrilled to share the incredible milestones we've achieved in 2024. Thanks to the unwavering support of our community, we've empowered hundreds of minds with STEM and Artificial Intelligence (AI) skills, making a lasting impact. From partnerships with schools, municipalities and corporations, to the hands-on experiences we provide to students, this year has been one of growth, connection, and progress.

A few of our highlights for this year include having the opportunity to offer bilingual Adult Technology classes to Seniors 50 and over in Hyattsville, MD. We also developed a state of the art Artificial Intelligence curriculum for Middle Schools students. It was piloted this summer in Greenbelt, MD.

As we look ahead to 2025, we're energized by the progress we've made and excited to continue bridging the gap in STEM education. To reach more students and expand our programs, we need your support. Every donation brings us closer to empowering the next generation of innovators.

Help us make an even greater impact in the coming year!  
Donate now to inspire curiosity, build futures, and change lives.

With gratitude,  
The **BCAUSEICAN** Team

*Together, we can create change **BCAUSEICAN, YOU can, WE can.***
