## Accenture's Spotlight Charity Fundraiser

We are excited to announce that we have been selected as Accenture's spotlight charity for the second year in a row! Because of your contributions and support, we were able to teach over 250 students coding in the Washington Metropolitan area in the past year. With your help we can help equip underserved youth with the resources and skills to prevent socio-economic disparities among the community we serve. Click [Here](#) to access the donation link!
